SPORTING BULLETIN 1

30/04/2025

Approved by ACI Sport on 02/05/2025

PRIZE INTEGRATION: TIRES (Ref. Art. 5 of the 2025 Trofeo Lancia Sporting Regulations)

In addition to the prize money already provided for in the Sporting Regulations of the Trofeo Lancia, we are pleased to announce the introduction of prize money in tires, in collaboration with Michelin.

At each event of the 2025 Lancia Trophy, 10 Michelin tires (of the types and compounds authorized by the Technical Regulations of the Trofeo Lancia) will be up for grabs, and they will be awarded through a random draw during the pre-race briefing.

The allocation will take place before each race, regardless of the sporting results, to ensure equal opportunities for all participants: each competitor may win only one tire per race, until the maximum available number is exhausted (10 units per event). Registered participants who are not present at the briefing at the time of the drawing of their name will not be able to claim the prize, which will be reallocated to the next driver drawn.

PROCEDURE FOR CLAIMING CASH PRIZES (Ref. Art. 5 of the 2025 Trofeo Lancia Sporting Regulations)

To be entitled to claim cash prizes, each participant must mandatory complete the 2025 Prize Money Payment Form in all its sections, as shared by the Sporting Manager, and then send it to charles.bonnet@external.stellantis.com no later than the conclusion of the first event contested in the Trofeo Lancia.

Any changes to the data and/or information provided must be promptly communicated by sending the updated Form to charles.bonnet@external.stellantis.com.

It is specified that this Form must be accompanied by an official document from the bank showing the full details of the bank account, manually stamped and signed by the bank.

PROCEDURE FOR RECEIVING RACING SHOP VOUCHER PRIZES (Ref. Art. 5 of the 2025 Trofeo Lancia Sporting Regulations)

In the event of winning Racing Shop Vouchers, these will be sent to the email address provided by each participant in the designated section of the 2025 Lancia Trophy Registration Form.

Any changes to the provided information must be promptly communicated to charles.bonnet@external.stellantis.com.

LANCIA CORSE HF VILLAGE (Ref. Art.11.5 of the 2025 Trofeo Lancia Sporting Regulations)

It is mandatory for all participants in the Trofeo Lancia to position their Ypsilon Rally4 HF cars within the Lancia Corse HF Village for the entire duration of the events, except during the moments of the competitions when the vehicles are engaged outside the Service Parks. Each participant will be assigned a personalized tent with their name, under which the car must be placed. Failure to comply with these rules will result in the disqualification of the participant from the event in which the violation occurred, with the consequent loss of points and prizes in the Trofeo Lancia.

Before the closure of registrations for each event valid for the Trofeo Lancia, teams must send the following information to the email address of the Lancia Corse HF Village Manager, e.tassi@lpditalia.it: the dimensions of their service vehicles, the number of cars they will manage on the rally, and the names of the Trofeo Lancia participants they will assist. This information is necessary for the optimal logistical organization of the Lancia Corse HF Village.

Each team may bring only one service vehicle to the Lancia Corse HF Village. The organization guarantees the acceptance of vehicles with a maximum length of 7 meters, which must be positioned according to the organization's instructions. Vehicles exceeding this size may only be accepted with explicit written authorization from the Trofeo Lancia organization, subject to evaluation of available space.

RACE SUITS AND LANCIA CORSE HF TEAM KIT (Ref. Art.1.2 & 11.3 of the 2025 Trofeo Lancia Sporting Regulations)

Fireproof underwear will not be distributed. Participants may wear fireproof underwear of their choice throughout the Trofeo Lancia, provided they do not display logos competing with the Trofeo Lancia partners or Lancia itself.

It is specified that the service for the rental and washing of race suits is mainly dedicated to participants who register under the "Discovery" and "Discovery Last Chance" categories. All other participants must communicate their intention to use the rental and washing service for race suits at least 10 days before the registration deadline for the event in which they intend to use the service, by writing to all the following addresses:
