MEALS UNDER THE DRIVERS' HOSPITALITY TENT – RALLY ROMA CAPITALE

On the upcoming Rally Roma Capitale, Lancia will provide its "Drivers and Teams Hospitality" area to allow teams and crews participating in the Lancia Trophy to comfortably consume their meals.

To support this initiative, we will set up an adequate number of tables and chairs, doing our best to accommodate the needs of all participants.

- For team members, the time slots during which the hospitality area will be accessible will be communicated via the "Trofeo Lancia 2025" WhatsApp group.
- For crews, the area will be available during time windows aligned with race schedules (during service park periods), ensuring that everyone can benefit from the space without interfering with sporting activities.

Additionally, for those interested, an on-site meal service will be available under the Lancia "Drivers and Teams Hospitality" tent, provided by Cooking Around, with individually portioned meals delivered directly by the Cooking Around team.

For more information or to book the service, please contact Cooking Around directly:

Please note that Lancia is only providing the space for meal consumption and will not supply or cover the cost of meals, which remain the responsibility of the teams and crews.

Due to space and logistical constraints, no additional tents or structures may be set up within the Lancia Village.

We kindly ask for your cooperation in maintaining a clean, orderly, and respectful environment in the hospitality area.
